

REMARKS

The title has been amended to be in conformance with the translation of the International Application.

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority application.

The specification has been amended to conform to US practice. No new matter is added by this amendment.

Claims 6-7 and 9 have been amended to more clearly describe the subject matter that Applicants regard as their invention. No new matter is added by this amendment.

Claim 12 has been amended to remove multiple dependencies. Claim 13 has been added to restore the subject matters that was removed as a result of the amendment. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claim. No new matter is added by this amendment.

The Abstract has been amended to conform to U.S. practice. No new matter is added by this amendment.

The claim fee was calculated based on the amended claims above. Please examine the application in view of the amendment set forth above.

Dated: September 21, 2005

Respectfully submitted,

By
